

TRINITY CHRISTIAN SCHOOL TIGER REPORT

JANUARY 2012

A Word from the Principal

“Stand at the crossroads and look; ask for the ancient paths, ask where the good way is, and walk in it, and you will find rest for your souls.”
Jeremiah 6: 16

I feel every New Year I find myself at a crossroad. What will I do differently this year? What have I been doing that I should continue to do? We all come to this crossroad at the onset of the New Year. What shall we do?

I like what the above scripture says to do. “Stand” - Stop what you’re doing. Take time to consider your options. “Look” - See what your options are at the crossroad. “Ask” – Talk to those who seem to have what you are seeking. Ask for two things, “the ancient paths and the good way” Why the ancient paths? Many in our society today believe that if it’s from too long ago, it’s not valid for today. There are truths, ancient paths that are as valid today as they were centuries ago. They may even be needed more today than ever in our lives. Find these truths and “walk in them.” Why? You will find rest for your soul.

So, for this New Year: You need to stand, look, ask, and walk in what you find out. Then you will find rest!
